Disclaimer: This report is intended solely for developmental and self-awareness purposes. The results reflect the responses provided at the time of the assessment and should not be considered a clinical diagnosis or a definitive judgement of personality, ability or behaviour. The findings should be interpreted in context and, where appropriate, discussed with a qualified professional. This report is confidential and will not be shared with others without your consent, except where disclosure is required by law. You may voluntarily choose to share the report with a qualified counsellor or professional to better understand the findings and discuss your developmental needs and opportunities.
